

OLD DIXIE LOADERS & SUPPLY

NFA ITEMS CHECK LIST

1. You need to create an account on: <https://www.silencershop.com> and make sure that your preferred dealer in the upper right-hand corner reads: OLD DIXIE LOADERS, so that your purchase comes to us. If it does not, you can hit choose another dealer and pick us from the choices listed. If you do not see us as a choice, check that your zip code is 32960 and we will populate in the choices.
2. Next you will need to go to: <http://eforms.atf.gov/login> and create an account, you must make sure that your email address, and name, is the same as what you have registered on the Silencer shop website. Please write down your eforms username, password, and 4-digit pin, and keep it in a safe place, you will need that information later when it's time to certify your purchase on the ATF's website.
3. Download the Silencer Shop app from your App Store on your mobile device, to your mobile device, because you will need that app later to upload your picture.

We highly recommend that you purchase an NFA trust for your convenience when you buy your suppressor, it will make your purchase easier and allow you to add members to your trust to use your suppressor legally, like family members or friends. Please feel free to talk with any of us here at the shop to discuss the benefits of a trust and trust options.

The Silencer shop charges you a convenience fee of \$25.00 cash (\$25.75 for credit card transactions) to use the kiosk, that we collect when you come in to use it. Non-Silencer Shop NFA Items are charged the \$25.00 / Kiosk fee, as well as a \$100.00 transfer fee when we transfer the NFA item to you. Please feel free to contact us, or come see us to help you, if you need any help getting through this process.
